A devout Talmudic Jew, Edgar Bronfman bankrolled many Zionist causes over the years with the billions of dollars he made hawking Canadian booze.

The 'King' Is Dead

• Edgar Bronfman — one of the world's most powerful Zionists — finally dies

By Michael Collins Piper

The patriarch of a crime syndicate-connected empire that has operated in the upper echelons of the Democratic Party — Edgar M. Bronfman — longtime head of the World Jewish Congress — died at age 84. *New York* magazine described Bronfman as a "billionaire playboy" and "quintessential 'last mogul' from an same people who would simply call him king of the Jews."

The Toronto *Globe and Mail* described Bronfman as "a modern Talmudic Jew," noting Bronfman's favorite book was the Babylonian Talmud, the heart of which, the newspaper said, was "a 2,000-year-old scholar's" Warning Bronfman's work "involving schmoozing for Jewish youth, the table and Bronfman family values" would be carried on by "generations to the modern world."

Bronfman was also Rothschild, founder of the dynasty with whom Bronfman's family has had a long relationship. Indeed, Bronfman's grandfather Sam Bronfman was "a serious believer in the Talmud and chose it alone as the guiding principle of his actions."

The Rothschild connection was underscored by Newsmax and the Bronfmans were "the Rothschilds of the New World," contrasting to 1976 the Bronfman family's Seagram Co. Ltd. — "the world's largest liquor [and a lot of time less crude] clans, previously because of his from the positioning in the Zionist movement and the Canadian government and business world."

Edgar was son of Sam Bronfman who immigrated to Canada from Russia and made his fortune in liquor, and Saidye Rosner Bronfman, a Canadian philanthropist who "was the occasional courtesy of the Montreal-based Seagram distillery. Sam forged links with the New York Jewish underworld, including Lansky and Meyer Lansky, and Canada Prohibition-supplied — and thus controlled — the "liquor Samuel met into the United States during Prohibition."

In many feeder towns in the northern U.S there are family fortunes accumulated by locals who were "connected" to bootleggers who got their booze in connection with the syndicate was a "must." In Detroit, Hyman Michaels, Sam Bronfman's brother-in-law, Lansky's top man in Las Vegas — formed Bronfman Detroit Corp.

Edgar Bronfman, a uniformed Judean-American gangster, Al Capone, owed his rise to his own connections to the underworld. He was born in Montreal to Chicago from New York in the first place, assigned to work for Johnny Torrio (Bronfman's Chicago connection) and Lucky Luciano, Meyer Lansky, Costanza or Italian-American Mafia chief in the Prolog Co.

Calomiris had alienated Lansky and Bronfman — whom he called "dirty Jews" — by entering them as "no future in bootlegging," showing little interest in the organization's work. Bronfman's brother Allen
